

PASSPORT TO YOUR COMMUNITY

Connecting Families, Building Communities

Johnson County Public Library is excited to introduce:

Passport to Your Community

A new initiative funded by the Stories of Support grant, dedicated to connecting families directly with vital resources, strengthening community ties, and enhancing family resilience and well-being.

Program Highlights:

✓ Easily access valuable resources and services such as:

- Dolly Parton Imagination Library
- Veggie Bucks
- Play with Purpose
- HANDS Program
- LiHEAP Heating Assistance
- And many more community programs!

✓ Earn incentives like gas cards, grocery gift cards, and discounts at local businesses through active participation!

✓ Strengthen your family's social connections and find support during challenging times.

MEET PAMELA HEREFORD – COMMUNITY NAVIGATOR

An experienced community leader dedicated to family engagement and support. Pamela brings over 25 years of experience in community partnerships, early childhood education, and family support services. She is a certified trainer and a regional leader with expertise in connecting families with essential resources.
